I must all financial aid funds for expenses related to my education. I agree to return any funds I have received that I am not eligible for. I understand and agree that Sillman College will manage my financial aid award. I understand that I am responsible for the expenses that my financial aid award does not cover and that my classes are subject to be dropped. I also understand that if I do not receive a refund, federal funds are refunded to me within 14 days of disbursement to my Student Account. State funds do not have a time limit. In addition, I understand that Financial Aid does not handle refunds and if I have any questions about refunds to contact the Bursar's Office.

- I understand that the Office of Financial Aid will communicate with me by email. I agree to check my campus email for notifications from the Office of Financial Aid. I also understand that my award and any required documents will be posted on my Self-Service. Review Self-Service before contacting the office as the answer may be on Self-Service.
- I do not owe a refund on any grant or loan, am not in default on any loan or have made satisfactory arrangements to repay on any loan or have made satisfactory arrangements to repay secondary schools and receive federal funds. I am obligated to report any change in my circumstances. Federal funds are not available for Sport class Dual Enrollment, Transfer and Special Admittentor enrolled in a certificate program.
- If I decide to withdraw from Sillman College before the 60% mark of the semester I will not be eligible for disbursement of federal aid that I was awarded. I may be required to repay funds I received.
- I must maintain Satisfactory Academic Progress (SAP), which is complete 67% of the credit hours I have a 2.0 cumulative GPA and complete my program of study within 150% of the hours needed to graduate (please refer to the SAP policy). If I am not in good standing on Financial Aid Warning or Financial Aid Suspension, I will no longer be eligible for federal and state financial assistance. If I submit an appeal and it is denied, I will have additional standards to meet.
- If I am interested and accept a federal student loan, I am aware that my loan will have to be disbursed in two disbursements for one semester loan. I am required to complete a master promissory note, e-sign, enroll and attend in at least 6 credit hours. I am also aware that I will receive a loan disbursement if I do not receive a refund, expect within 14 days of the date the funds are disbursed to my Student Account. I also understand that I can inquire about the refund in the Bursar's Office after the 14 days have passed.
- Funds will disburse after my attendance has been verified by the Registrar's Office. Federal funds are not available for the hours attending for the semester in which the classes are in my program of study. Also, I will be required to repeat a previous class (grade of D or better) once, regardless of the outcome.
- Federal Pell Grant and SEOG are awarded based on full-time hours but prorated based on attending part-time hours.
- Alabama Student Grant is awarded based on full-time enrollment but disburse at half the amount if attending 6 to 11 hours. Funds are not available for less than 6 hours. Funds disburse when the student is in attendance. A new Alabama Student Grant application is needed when the student is out for the Fall or Spring semester.
